

Marc Recio

Junior Data Scientist

Valencia, Spain (open to relocation) | +34 655 37 03 77 | marcrecioel@gmail.com

SUMMARY

Data scientist with a strong analytical mindset and a multidisciplinary background in plant biotechnology. Strengths in classical machine learning (top grade), databases and data engineering, and the full data lifecycle — collection, cleaning, analysis and visualization. Deep learning and reinforcement learning in active progress. Fluent English and experience in international, research-driven environments.

SKILLS

Machine learning: supervised and unsupervised methods, model evaluation, dimensionality reduction (PCA, t-SNE, UMAP).

Data & databases: SQL, NoSQL, schema design, data modelling, ETL, data cleaning and preprocessing.

Programming: Python, R, SQL.

Data collection & visualization: web scraping, APIs, exploratory analysis, reporting.

Domain: plant genomics and breeding, molecular biology, experimental design, statistical analysis.

Languages: Spanish (native), Catalan (native), English (B2 First), French (A2).

EXPERIENCE

Research Staff

COMAV — *Institute for Conservation and Improvement of Valencian Agrodiversity (UPV), Valencia* | May 2024 – December 2024

- Developed a protocol for obtaining transgenic rapeseed and ran in vitro microspore cultures (gametophytic development and androgenesis).
- Performed PCR and sequencing for genetic analysis, plus histological analysis of salinity impact on reproductive development of *Cakile maritima*.
- Designed and carried out the statistical analyses behind the experimental results.

Laboratory Technician (Internship)

Semillas Fitó, Cabrera de Mar, Barcelona | June 2023 – November 2023

- Ran in vitro procedures to produce double haploids in pepper, cucumber and watermelon.
- Executed DNA-extraction protocols in the molecular-biology department.

EDUCATION

MSc in Data Science

Universitat Oberta de Catalunya (UOC) | Feb 2025 – present | Top grade in Machine Learning

MSc in Plant Genetic Breeding

Universitat Politècnica de València (COMAV) | Sep 2021 – Sep 2024 | Thesis graded 10/10

BSc in Food Science and Technology

Universitat Politècnica de València | Sep 2017 – Sep 2021

CERTIFICATES

- CS50's Introduction to Programming with Python — HarvardX (edX).
- Data Science: R Basics — HarvardX PH125.1x (edX).
- Cambridge English: B2 First — Cambridge Assessment English.
- Valencian language, level C1 — JQCV.
